

RSA Management Committee Election

There will be a number of vacancies under the terms of the RSA Constitution from April 2019. We are seeking nominations to fill these vacancies, which should be made using the form below. Please complete the form with the requested details, first ensuring that the nominated members are willing to stand. **Please submit a short resume of the candidates career.**

You may nominate any number of retired staff but they must be **Full RSA Members**. Associate members are **NOT** eligible to become Management Committee Members nor to nominate. Nominated members should not be over 70 unless seeking re-election. **The closing date for nominations is 1st May 2019.**

RSA Management Committee members serve a term of three years and are required to attend regular committee meeting approximately once a month at Imperial College grounds (Concorde Centre) and are also asked to attend at least once a week in the office and undertake duties at Association Days and functions organised by the RSA. Candidates should live within a reasonable distance of Imperial College Grounds. Normal out of pocket and travelling expenses are paid by the association through the Treasurer. Candidates should also be computer literate. We are constantly seeking new ideas and new blood on the RSA Committee.
