

RETIRED STAFF ASSOCIATION – DEVON 16/20 JUNE 2022

We would depart from Commonwealth Coaches, (where we have free parking, a great perk) Holloway Farm, Harmondsworth Road, West Drayton, UB7 9JS, to go to Exeter for a lunch stop (not included) before leaving for our hotel [The Bedford Hotel](#) Tavistock. We are booked on bed and breakfast and Evening meal basis.

The Bedford Hotel is a 4 star hotel with good reviews. The river Tavy runs behind the hotel so perfect for an evening stroll.

Tavistock is an ancient market town and its recorded history goes back to 961 when Tavistock Abbey was founded, unfortunately it is now a ruin in the centre of town.

Day 2 – We would depart for Dartmouth for free time, after lunch a drive through Dartmoor National Park.

Day 3 - We will depart for Exmouth for a river cruise on the Stuart Line along the Jurassic Coast.

Day 4 – A day trip to Looe and Polperro in Cornwall where you will have free time. Looe has a picturesque fishing harbour and a wide sandy beach, cobbled streets with independent boutiques. Polperro is a short distance away and is another fishing village.

Day 5 – After checking out of our hotel we will have a trip on the South Devon Railway which leaves at 1030, then on to Buckfast Abbey where you can get some lunch (not included) before boarding the coach to take us back home. After the mornings activities you might like to catch 40 winks on the journey back !!

If you would like to go the price is **£549.00** for members and **£559.00** for non members to include coach, hotel and all excursions. This price does includes gratuities. Unfortunately prices for trips in the UK are increasing and hotels are difficult to get in the UK since Covid and their prices reflect this. We only have two true singles allocated with no supplement, extra singles will be **£128** per person for the duration, a price that is beyond our control and fixed by the hotel. You will stand more chance of getting on the trip if you can find someone to share with. A booking form is attached.
