

LION KING – 7 MAY 2025 LYCEUM THEATRE

We have booked tickets to see this very popular show. We have managed to get tickets at an excellent rate and think this will prove very popular.

The Lion King has been running in the West End for many years. The music is by Elton John and lyrics by Tim Rice. It is based on the 1994 Disney Studios Animation film, The most well-known song from this show is “The Circle of Life”.

We have seats in the stalls, and they have a face value of £138. Our price to include coach is **£70** for members and **£72** for non-members. I think you will agree this is a bargain.

The show starts at 1430, but we will leave Bedfont Football Club, where parking is available, at 1230, as travelling to London these days is an unknown quantity due to the amount of traffic plus 20 mph speed limit. It is better to arrive early. If there is spare time you can have a wander or have a coffee.

If you would like to go a booking form is available on this site.
